

MAKE TEAMWORK THE CHALLENGE!

Waiheke Island Resort and Corporate Challenge provide activities that respond to your specific needs & objectives. Our innovative, effective and enjoyable suite of activities can be tailor made to match your requirements. We pride ourselves on continually updating our events to move with the market and ensure the event is not only specific to objectives, but considered extremely enjoyable & worthwhile by all participants.

Corporate Challenge would like to take your company on the wild ride that is Survivor. We have lovingly removed the deserted islands, cannot promise any weight loss, will provide aeroguard for the bugs and all going well won't see any blood or tears. But what we can promise is a teambuilding program with more twists and turns than you could ever imagine. Throughout the day, tribes - in real survivor style - will be tested in a number of recreational or problem solving situations. Dependent on success at each activity, tribes will be rewarded with immunity idols. These will be awaiting them, at the conclusion of the immunity challenges, at Tribal Council.

It could be anyone, they could be anywhere and they will not be too keen to be found. So the challenge is set and the only question that your team should have on their mind is "who is the Corporate Challenge Fugitive and where are they currently hiding?" Throughout the day, while hunting down leads, teams will participate in a number of recreational or problem solving activities. Success at activities will be rewarded by the disclosure of information that will help piece together a description of the wanted person. The greater a teams success at the chosen activity stations, the more clues to the Fugitive's identity and location.

You may not have a vesper motorbike; a telescopic lens or the patience to sit in a bush for hours on end but the Corporate Challenge Photo Opportunity will allow everyone to become the paparazzi for a day. Keep your mission in mind and remember that you will only have one shot at Photo Opportunity glory!! The Corporate Challenge Head of Photography has recently been out and taken a number of award winning photos. Unfortunately when they returned to the office these photos were cut up into 12 pieces. Your team will now be required to find the location of these photos and then capture that one in a million shot on film.

A new diamond smuggling ring has appeared in New Zealand, diverting millions of dollars away from local traders. Police have started their search for this syndicate, however your help is needed to pin point the identity of two of the main men. Your objective in CLUEDO is to sift through the evidence on file, decipher the clues left behind by the syndicate, work well as a team and ultimately discover the names of the men wanted over this newly appeared diamond smuggling ring. This case is going to take some solving.....

Have you ever wondered what it would be like to star in your own music video? Well it's time to test your musical repertoire, push your creative boundaries and unleash the superstar within! Are you ready to live the dream? Armed with your song and what ever bonus items you have been able to acquire, teams will be given their portable stereo, video camera and the license to get creative. A vast array of back-up dancers, special effects, lighting, filming crews and digital editing equipment will not be available to you! Instead you will be challenged to shoot your music video in one shot from start to finish.

CHARITY OPTIONS

Corporate Challenge understands that many companies are open and understanding to contributing back to the community in some way shape or form. That is why we have developed three programs specifically targeted towards giving. Bikes for Tykes, The Big Give and The Rookie are programs where your company can make a difference in the lives and communities of those less fortunate.

EVENING PROGRAMS

Corporate Challenge has the programs, expertise and the personalities to conduct an extremely enjoyable evening event. From uniquely designed **Trivia Nights** to our own **Day at the Races & Oceans 11**, we will ensure the night is one to remember, full of laughs, networking and old fashioned good times.

LIFE STYLE CONFERENCE

All companies are aware that health and fitness are important components to well being and longevity in the workplace. The Corporate Challenge lifestyle packages will allow you to introduce many different aspects of health and well being into your employee's daily routine. Daily sessions, health fairs, team sports and presentations can all be organised as part of your conference or business meeting.

ADDITIONAL PROGRAMS

Other exciting & successful activity options offered by Corporate Challenge throughout Australia & New Zealand include:
